

Gerber Life Guaranteed Life Save Loved Ones From Covering Your Final Expenses

Do you jump into protection mode to take care of everyone in your family? At Gerber Life Insurance Company, we make it easy to prepare for the future and save your loved ones from burdens you can prevent.

Guaranteed Life is a whole life insurance policy that enables you to get life insurance protection in your later years, so your family members won't have to take on the responsibility of covering any costly final expenses when you're gone. With the cost of a funeral averaging over \$7,800,¹ and Social Security providing a one-time death payment of only \$255² (if you qualify), your family could be faced with a large funeral bill and other final expenses that may be difficult for them to pay.

A Gerber Life Guaranteed Life policy can cover you for up to \$25,000³ to help make life easier for your family at a time when they may need it most.

First Two Years of This Policy

Initially, your coverage may not include the full face amount. If death occurs within the first two policy years for any reason other than an accident, all premiums shall be paid to the beneficiary, plus an additional 10% of earned premium — the portion of paid premium that has been applied to the policy.⁸

You are fully covered after the initial two-year period. After the two-year graded death benefit period, if the insured dies for any covered reason, the full face amount of the policy shall be paid to the beneficiary.
